

A LETTER FROM THE DIRECTOR OF EVANGELICAL FRIENDS MISSION  
REGARDING THE SPECIAL SUMMER OFFERING FOR MISSIONS

June 2009

Dear friends,

We are so grateful for Jaime and Lydia Tabingo and the team of pastors and elders who work with them in the Philippines. Your summer offering gifts will go for at least three things to help them and their ministry.

**1. Scholarships for young people who are going into ministry**

Each year young men and women receive funds to pay for their tuition in a Bible college. They spend three years in Bible and ministry classes to prepare them to serve our Lord Jesus Christ. Then the Friends students start new churches or work in previously established churches. Becoming a pastor, a church planter, or a missionary is a high and holy calling from God. Your gift will help prepare these young people.

**2. Transportation to other islands, and to our Friends churches on Luzon**

Jaime and Lydia work with our pastors and elders on the island of Luzon. They also take the plane for a one-hour flight to the islands of Leyete and Samar to visit partner churches. These churches plan to join Evangelical Friends too. Your gift will help buy plane tickets, and also buy gas for trips on the island of Luzon.

**3. Conferences**

Pastors meet together to sing, pray, encourage each other, and receive wonderful teaching from God's Word. Sometimes all of the churches in one area will come together for fellowship at one conference or worship service. Your gift will help pay for Jaime and Lydia's part in these conferences.

Many people are receiving Jesus Christ as Lord and Savior and growing as faithful Christians in the Philippines.

Thank you for giving an offering to help them!

From a heart that cares,

Chuck Mylander
