2009 Easter Offering for Missions

RWANDA

Evangelical Friends Mission began working in the east-central Africa country of Rwanda in 1986 and now there are 46 churches with nearly 6,000 Christians. With support and encouragement from the missionaries, national leaders take fresh initiative in evangelism, cell groups, and church multiplication. The Friends Church in Rwanda operates four secondary schools, five primary schools, and two kindergartens. A program called Discipling for Development is being used by Friends in Rwanda to address the spiritual and physical needs of the poor.

With a goal of \$75,000, the 2009 Easter offering will help train national leaders, assist evangelism, provide a vehicle for the Thomas family, and support ministries with children, youth, and women. Join Friends churches across the country in this effort to "teach these truths to other trustworthy people who will be able to pass them on to others" (2 Timothy 2:2b NLT).
